

# The New Workforce Awakens

## WARM UP

Let's open the session including interaction, in which you tell us about your motivation why joining us today!

1

2

## ENABLEMENT

What is the remote workforce all about and what are the most important enablers/pillars for implementation?

## MATURITY CHECK

Let us know how mature your organisation is regarding remote collaboration!

3

4

## REALITY CHECK

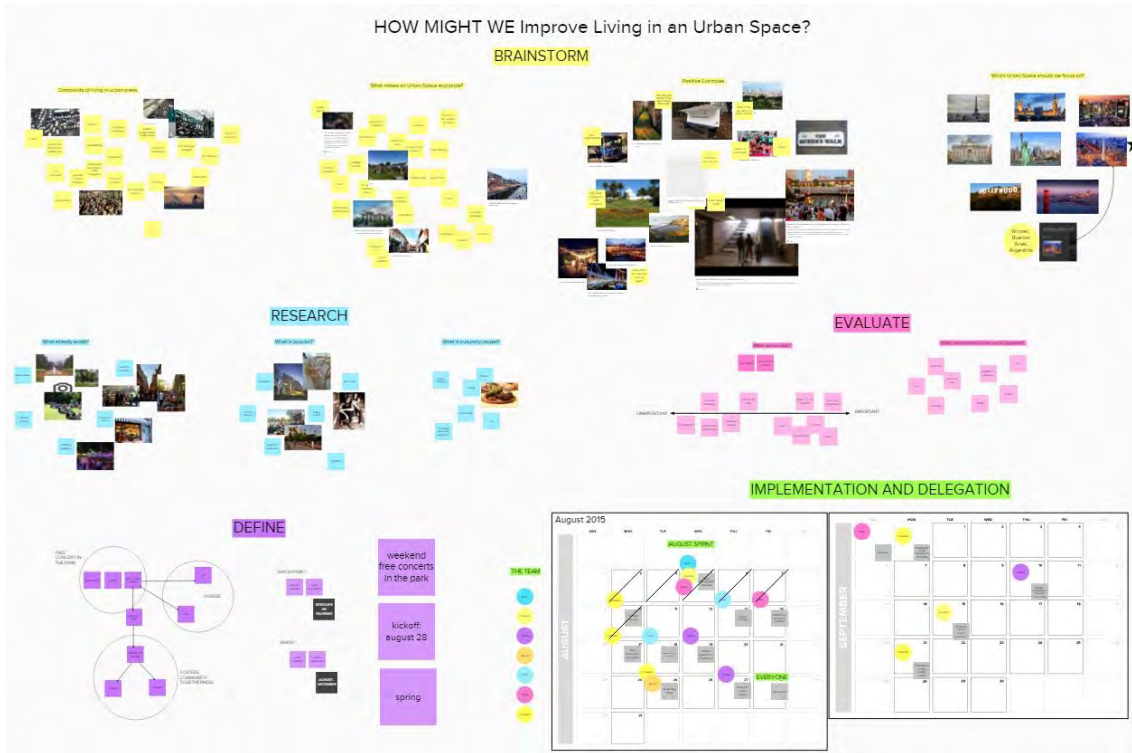

Our guest speakers from MODUL University Vienna talk about their recent remote collaboration implementation.

# #1

## Warm Up

# Collaboration Demo 1

## Remote Whiteboard

To show you a little bit how remote collaboration can look like, we prepared a whiteboard for you with the tool „Mural“. You can find the canvas under the following link:

<https://bit.ly/3eO0yEB>

If you follow the link, you will reach the canvas. We have no restricted access, so you can go there and try it out now.

# #2

## Enablement

WHAT YOU NEED

# WHY

# WHY

**PHYSICAL DISTANCING**

**EXPAND SERVICES / REGIONS**

**INCREASED PRODUCTIVITY**

**BURNOUT PREVENTION**

**DECREASED OVERHEAD COST**

**HAPPY MILLENNIALS**

# Nagarro Work From Home (WFH)

Survey took place within the lockdown period during the COVID-19 crisis.

The participation was very high, nearly 70% of the worldwide workforce of Nagarro participated in this survey, so we can share our insights with you.

Participation

70%

Has your **productivity** increased during WFH

Do you enjoy WFH

More than 30% in average for all geographies of the participants are going to **keep** WFH up for at least 3 days a week

# Health and Social benefits

## STRESS REDUCTION

82%

of people working at least once a month from home are more likely to report feeling happier and a reduction in stress levels

## WORK LIFE BALANCE

1 in 4

employees say the flexibility of working from home allows them to work around their friends and family

## EMPLOYEE RETENTION

50

out of 100 people who worked remotely were less likely to leave the company for an other employment.

## Cost Benefits

\$5 billion

have been saved in the year 2018 by US companies by letting employees work from home at least part of the time.

6 of 10

employees identify cost savings as a significant benefit of telecommuting.

\$11.000

can be saved by the average business per person by letting employees work from home at least half of the time.

\$4.000

can be saved per employee per year in average by telecommuting, this includes savings on the cost of gas, car maintenance and business lunches.

# Future Proof Benefits of the Remote Workforce

## MILLENNIALS

68%

of the millennial job seekers stated that a work from home possibility would increase the interest in the employer significantly.

## ENVIRONMENT

15t

of greenhouse gas emissions per employee per year can be saved.

## SATISFACTION

81%

say that they are satisfied with their current job, a figure which is 57% higher than the average job satisfaction levels.

If you follow the link, you will reach the canvas. We have no restricted access, so you can go there and try it out now.

# We can support you

## 5 Ready4Remote

After implementing the prior 4 steps we will **accompany you and your organization** with workshops and trainings.

## 4 Tooling

With your organization's need in mind, we can **support you with the selection of the right tools** that fit your current infrastructure and processes for going remote.

## 3 Leadership

is the core competence needed within remote settings for being successful as an organization. We can help you **to focus on leadership methods that lead to successful collaboration**.

## 2 Collaboration

With years of experience in a wide variety of **collaboration models**, we can guide you and your team to successfully implement a collaboration model that matches your readiness and organization.

## 1 Enablement

We evaluate together whether your infrastructure and core processes are ready for a decentralized working model and **support you with insights, best practices and professional services**.
