

...how to start the journey with Nagarro

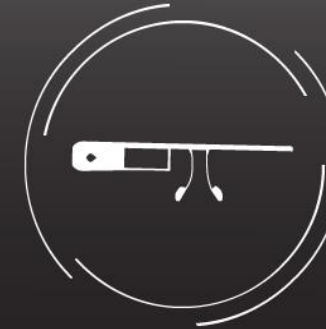

Connected Worker 4.0

Vision becomes Reality – Cloud enabled connected workers

Basis of our approach:

Nagarro Digital Mobilization Kit

1

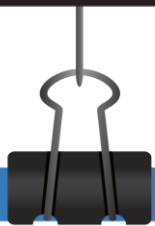

.....

Ideation +
Digital Use Case

Ideation + Digital Use Case:

Profit from an outside-in inspiration, leverage creative potential & unleash full potential of your teams

2

.....

Business
Value

Evaluate Business Value:

Evaluate benefits and focus on most promising & feasible use cases/ MVP

3

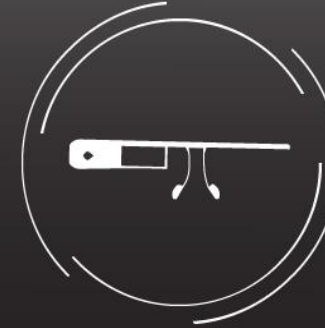

.....

Prototype &
Mobilization

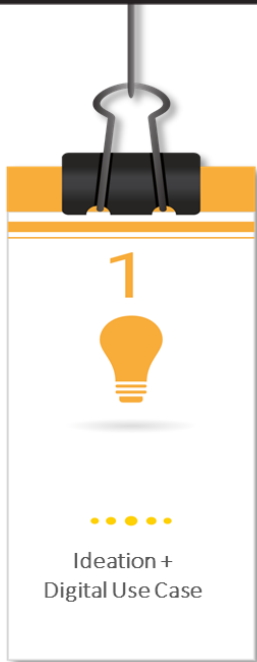

Prototype & Mobilization:

It does not exist when you cannot show it – mobilize all stakeholders with a tailor-made prototype / MVP

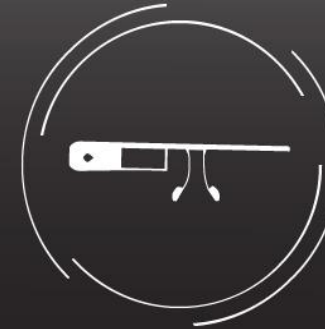

Basis of our approach:

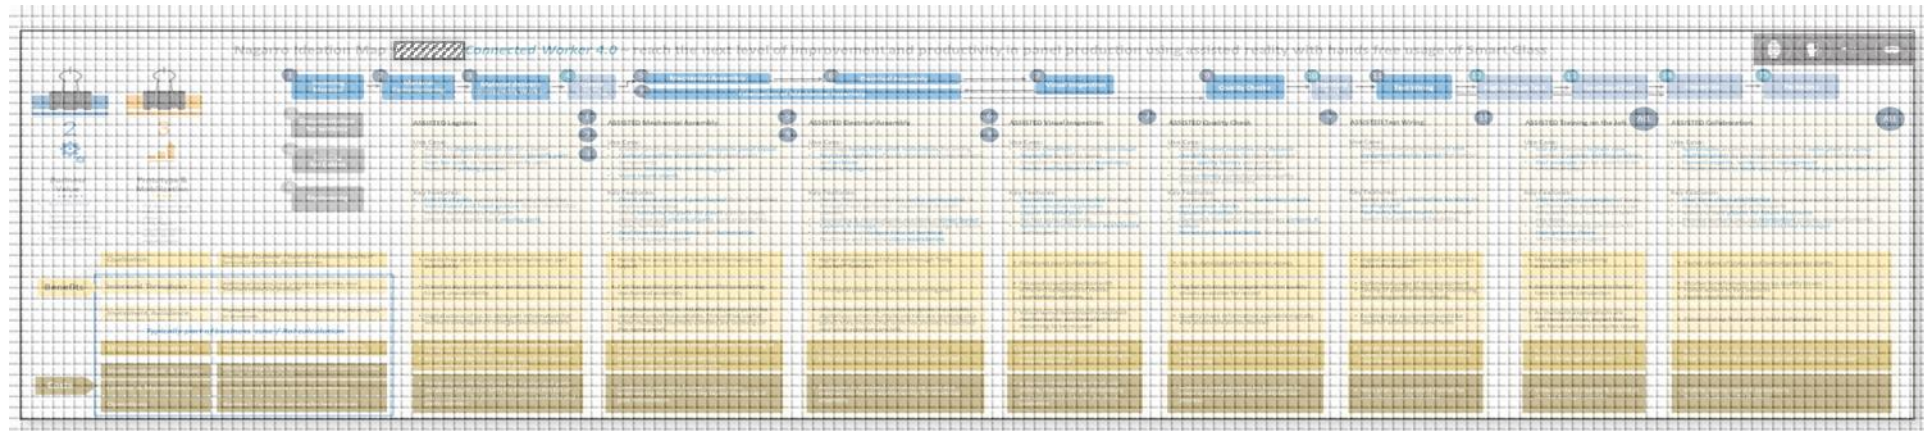

Nagarro Digital Mobilization Kit

Basis of our approach:
