

Manas Fuloria

Custodian of entrepreneurship in the organization

Born in 1972 in Dibrugarh, India
Member since 2020
Appointed until 2023

Manas Fuloria is a co-founder of Nagarro and has served as Custodian of Entrepreneurship in the Organization since 2015. From 2013 to 2020, Manas Fuloria served as member of the management board at Allgeier SE. Mr. Fuloria has an academic background in Technology and Operations Management, with a Master's degree from Stanford University, California. Afterwards, he received his doctorate from the Indian Institute of Technology in Delhi. In addition, Manas Fuloria is a management board member of several of Nagarro's subsidiaries and of Wrig Nanosystems. He is also founder and trustee of Re-Imagining Higher Education Foundation, which is the sponsoring body of Plaksha University in Punjab, India.

Alongside his office as a member of the management board, Manas Fuloria is, or has within the last five years been, a member of the administrative, management or supervisory bodies of and/or a partner in the following companies and partnerships outside the Nagarro Group:

Currently:

- Wrig Nanosystems, board member, since 2015
- Re-Imagining Higher Education Foundation, founder and trustee, since 2018

Former:

- Allgeier SE, member of the management board, 2013 to 2020
- Raahgiri Foundation, founder and trustee, 2015 to 2019

Other than listed above, Manas Fuloria has not been a member of any administrative, management or supervisory body of any other company or partnership outside Nagarro SE within the last five years.
